Narratives in and around Organizations

Bachelor and master course

University of Southern Denmark, Kolding

20 August - 29 August 2018

The summer course explores narratives in and around organizations with specific focus on "counter-narratives".
The course is based on researchers' own interdisciplinary studies within the field and will cover topics such as management communication, employee interaction, stakeholder communication and organizational identity.

Guest speaker
David Boje (US)

Taught by
Cindie Maagaard (DK)
Per Krogh Hansen (DK)
Klarissa Lueg (DK)
Marianne W. Lundholt (DK)

Apply before 1 June 2018
